Century, Godley's,  
Peterson's Scribner's.

Six in all. These have had a circulation of 366. Among our bound volumes of magazines are included 8 volumes of Scribner's Monthly (vols 13, 14, 15, 16, 17, 18, 19 and 20) contributed by Mr. F. D. Baker without binding and bound at the expense of the Association.

## Newspapers

We have continued to receive copies of the "Evening Leader" throughout the year for filing and all loose papers are now in the hands of the binder with the exception of two months. The publishers of the "Herald" are supplying a copy of their paper for our files, free of charge.
